A lot of participation	The classes were fun but informative.	The instructor made sure everyone was involved and enjoyed that class.	Evaluations were constructive and actually helped.	Really good quality course.	Very effective.	
I participated in every class period that I was able to make.	I was artistically challenged, as well as intellectually, to understand acting in theater.	The instructor had a clear syllabus and instructions for us to follow, along with the fact that any questions that the students had were answered with clarity or reworded	The professor was able to provide clear responses to our work, along with a grade and some feedback if necessary.	8/10	9/10	N/A
