I participated more in this course than usual because I liked the subjects and format.	I definitely learned a lot from this course and it was challenging without being impossible or too much.	She communicated everything very clearly and was consistant with expectations through the semester.	She set high standards but gave us everything we needed to meet them. I also appreciated her understanding and flexibility as life can get in the way of class.	Very good	Very effective	
I talked a lot	Increased understanding	Pushed us to engage	The instructor was flexible	It was fun and deep	She's really smart she has like everything memorized
